

## **SB389 Implementation Task Force (January 9, 2008)**

The Provost asked the director/vice provost/chair/leader of the following units/organizations to appoint an appropriately knowledgeable person to the task force (they could appoint themselves) to provide coordination between units and to provide communication back to their respective units/organizations about what others are doing to implement the numerous requirements of the SB389 law. This is the purpose of the task force: communication and cooperation.
