Michael Davis gave an overview on the Retirement Benefits Task Force. The group was tasked to make a change away from the current Defined Benefit plan. This plan would only be in place for new employees, it would not affect current employees. They were not to discuss allowing current employees to transfer to the new plan. They have met four times and are not finished.

Possible options were discussed
1. Keep the current defined benefit plan.
2. Defined Contribution plan (university gives and you invest on your own/similar to 401K).
3. Half/Half plan (use current DB plan at 1.1% * yrs of service and DC plan with matching).
4. DB plan but the employee contribution could go up if the stock market went down.

The task force is leaning towards recommending the half/half plan.

IV. Old Business - None

V. New Business – None

The meeting was adjourned at 14:35 PM.

Respectfully submitted,

James Martin, Secretary
