Subject: Next ITCC Meeting

Dear Colleagues,

The next (and last for the year) ITCC Meeting will be Wednesday, May 8, 4-5:30 PM. Instead of the usual room, it will be in the ECE Faculty Lounge, one floor below where we usually meet. I am literally triple booked at that time so I will just drop in at the beginning but Thomas Vojta will run the meeting.

Here's the proposed agenda:

Approval of last month's minutes (attached)

Report from Greg on CIO's conference and future of IT in universities
Strategic Plan's implications on e-learning resources requests
Plans to phase out Blackboard
Cloud vs. CLC's for certain software packages
Research Computing

Yours truly,

Don
