Colleagues,

the first ITCC meeting in the fall semester 2013 will be on Wednesday, Sep 4 at 4pm in 208 Physics. I will send out a detailed agenda as the date approaches.

As you know, Don Wunsch stepped down from the ITCC chair position at the end of the spring semester, and I am serving as acting chair at the moment.

Thus, one of the main agenda items will be the election of a new chair, vice chair, and possibly one or more subcommittee chairs.

If you want to nominate somebody (yourself or somebody else) for one of these positions, please let me know a.s.a.p.

Thanks  
Thomas

P.S. If you are not on the ITCC anymore because your department has elected a new member, would you please forward this email to her/him?
