### Referral to Tenure Committee

### Consideration of Issues of Propriety in the P&T Process

RP&A passed a motion to refer to the Tenure Committee:

- a) Should there be information provided to P&T committees at all levels on best practices, guidelines, or even training, and if so what materials should be provided/used?
- b) Should there be penalties and a process for faculty who flagrantly violate confidentiality or otherwise inappropriately attempt to affect the process?
