

Student Council Report

January 26, 2017 Faculty Senate Meeting

- We will be working with administration on plans to increase the size of the student fitness center
- The fitness center was voted on and approved in December, and has been added to the master plan
- We will be working with administration to help create plans for the land the golf course is on
- Our CEC & CASB chairs will continue to meet with representatives from their respective colleges to bring student concerns forward
- We will be sending out a student interest survey focused on academic areas of concerns for students.
- We will continue to stay active in the process for dining services
- Presidential election process will begin January 31st and officer elections will take place in late March
