The Library
Report and Opportunities for the Future

Bella Karr Gerlich, PhD Dean of Libraries

The Library Portfolio Review and Budget Report
Each year the library produces a report of costs, cost per use, and projected costs for all subscription materials.

The library will outline a set of cuts for the LLRC’s review.

The faculty are then notified of proposed cuts and given an opportunity to appeal or to suggest new materials.

The library then reviews faculty comments to evaluate appeals.

With college focused librarians, we hope to communicate low usage of resources more quickly to encourage increased usage, advocate for funding and avoid potential cuts.

Agenda

• Recognize Librarians as NTT Faculty
• Changes to NTT Promotion Policy
Librarians as NTT Faculty

According to CRR 310.035.B.5

Librarian faculty (Librarian I/II, Librarian III, Librarian IV; Archivist I/II, Archivist III, Archivist IV) on campuses whose librarian faculty have opted for NTT status as a body, whose faculty council or faculty senate, as appropriate to the individual campus, has formally recognized librarian faculty as having NTT status as a body and whose Chancellor has approved such recognition.
Motion - Librarians as NTT Faculty

Whereas librarian faculty at the other three UMSystem campuses hold NTT status and the librarian faculty at Missouri S&T have opted for NTT status as a body, the Faculty Senate Personnel Committee moves that librarian faculty at Missouri S&T be recognized as having NTT status.
NTT Policy Revision Goals

• Include Deans in the process
• Include Kummer College in the process
• Align process with Tenure and Promotion Process
• Revise Review Committee Composition
NTT Policy Revision Changes

• Deans input between Department Chair and Review Comm
• Chair of Kummer College T&P Committee added to the Review Comm.
• Chair of the Review Committee will be elected from the three college T&P Committee Chairs
• Defined timeframe for rebuttal to be 14 days as with T&P
• Timeline is to be established in Spring prior to the next cycle (currently in Fall semester at the beginning of the cycle)
NTT Policy Revision Changes part 2

• Composition of the Review Committee
  • Currently college T&P chairs, 3 NTT Teaching and 3 NTT Research
  • What to do if not enough eligible NTT – Curators’ Professors
  • Candidate’s Department T&P Chair is non-voting member
  • Representative should be non-voting and NOT an “advocate” role.

• Effective date – immediately
  • NTT faculty are currently preparing dossiers but committees not yet formed.
Motion – NTT Policy Revisions

The Faculty Senate Personnel Committee moves that the revised NTT policy be adopted as submitted effective immediately.
Amended Motion – NTT Policy Revisions

Discussion: Questions or comments?
Motion to bring before the Faculty Senate the following Minor statement for inclusion in the catalogue:

A minor is a defined academic program outside of a student’s major field of study. Minors are intended to broaden the student’s education, providing a coherent and officially recognized course of study outside of their chosen major. A minor typically consists of at least 12 credit hours of coursework and must include 6 credit hours or more at courses numbered 3000 level or above. Special topics, independent study and undergraduate research credit may be included in the minor program but not exceed 6 credit hours.

A maximum of 6 credit hours of transfer credit may be used to satisfy the course requirements for a minor, at the department’s discretion. Interdisciplinary or multidisciplinary minors are considered as Special Programs and must meet requirements as specified in CRR 300.030 Faculty Bylaws of the Missouri University of Science and Technology.

All courses used to satisfy the course requirements for a minor must be completed with a grade of C (2.000) or better. The minor is awarded simultaneously with the major degree award.

Proposals for a minor start at the department (or Special Program level) and follow normal Campus Curriculum Committee (CCC) processes and procedures.
