b. Administrative Report – Chancellor Carney III

The Chancellor spoke about the budget situation for next year. Initially it was thought the public education's budget would be cut by 7%. S&T received approval to increase tuition above the consumer price index. The Senate Appropriations Committee recommended a 4.8% cut to public education. If this happens, our cut will be \$1M less than it would have been at 7%.

c. Administrative Report – Provost Wray

Provost Wray gave reports on the offices of Academic Affairs, Global Learning, International Affairs, Undergraduate Studies, Graduate Studies, Sponsored Programs, and Enrollment Management.

The RP&A made a motion to approve the changes to the Grievance Procedures.

Jerry Cohen, Michael Schulz, and S.N. Balakrishnan were asked to speak for three minutes each regarding this issue. These individuals attended the special meeting with Vice President Graham and Leona Rubin to discuss the new grievance procedure on March 22, 2011.

Michael Schulz's comments were made previously in the presentation as noted in the URL link above.

Jerry Cohen spoke to keep the present grievance procedures at S&T. The UM System should allow for a dual system if the other campuses want to change the present system. He argued against having an administrator on the grievance board.

S. N. Balakrishnan understood the changes made to the grievance procedures were to expedite the process. With the present system it took a significant amount of time for the process. By keeping an administrator in the process the final decision becomes very fast.

**A motion to approve the changes to the Grievance Procedures passed.
For-12 Against-6 Abstentions-1**

RP&A made the following motion:

Whereas the position of interim chancellor is significant, the FS respectfully requests that the S&T faculty's opinion be considered in the selection of the interim chancellor.

The motion passed unanimously.

RP&A proposed a slate of officer candidates for the 2011-12 Faculty Senate Officers. A nomination from the floor to add S. N. Balakrishnan to the slate for President-Elect was seconded. S. N. Balakrishnan accepted the nomination as President-Elect.

A vote was taken on the President-Elect and S. N. Balakrishnan won the vote. The following slate was **accepted** unanimously:

c. ITCC

The committee agreed to postpone their report due to the time constraint.

d. Curricula Committee – Daniel Tauritz

The Missouri S&T Campus Curricula Committee recommends that the curriculum changes and DC0381 be approved. This includes 1 Degree Change (DC), 18 Course Changes (CC) and 5 Experimental Course (EC) forms.

A motion to approve the submitted forms as posted on the web was passed unanimously.

The Curricula Committee asked FS to discuss two general principles related to the DC0383 proposal which raised concern but are beyond the scope of this committee.

- 1) Should degree programs be created which are only offered in a local market (Sri Lanka)?
- 2) Should degree programs be created which are taught, completely or in majority, by non-S&T faculty (American National College faculty), even if said faculty are vetted by S&T?

There was a lengthy discussion and a motion was made to table the motion until the next FS meeting. It was seconded. **The motion failed.**

A motion was made to call the question. It was seconded. **The motion passed.**

A motion to approve DC0383 as posted on the web was passed unanimously.
