UNIVERSITY-WIDE INTERCAMPUS FACULTY COUNCIL

The Intercampus Faculty Council provides the President with representative views and opinions of the several campus faculties on such problems as the president wishes to bring before it and serves as a medium for communications between the president and the faculties.

The Intercampus Faculty Council discusses issues of common concern to the University faculties and is available to perform those functions or duties which are deemed appropriate to an intercampus faculty body.

An Intercampus Faculty Council is empowered to coordinate the activities of the campus governing bodies where it appears appropriate to do so.

In accordance with Academic Council's approval on September 19, 1996, the Academic Council past President, President, and President-elect will serve as UM Intercampus Faculty Council representatives.
