Dear Colleagues,

Please remember to attend the ITCC meeting as scheduled on Wednesday, April 13, 4 – 5:30 PM.
The tentative agenda is:

1. Approval of March minutes (attached – my previous email + the attached PowerPoint & Word documents).
2. Expansion / Reconstitution of CLC Task Force to respond to e-Learning initiative.
3. Naming of Task Forces
4. Email update, including privacy Concerns in view of Wisconsin Freedom of Info Act requests. (See the two recent Chronicle of Higher Education articles attached).
5. Report on March Motions at RP&A and Faculty Senate
6. Helpdesk Queue wait times for faculty members

As usual, if you can't make it, please ask an alternate from your department to come for you.

See you soon!

Yours truly,
