

ITCC Meeting

March 14, 2018, 4:00pm in 208 Norwood

1. Approve minutes from last meeting
2. Personnel updates
 - Made offer on programmer analyst opening
 - Interviewing for infrastructure system administrator
 - Made offer for desktop pro
 - Interviewing for RSS system Administrator
 - Waiting for HR to post Associate director position
3. BPM12004 status
4. Status of spam issue with Ironports
5. UM System negotiated software contract increases
 - Endnote cost increases are no longer a problem because UMKC going to add their uses, which will reduce everyone else's cost. Expect a minimal cost increase only at this point.
 - Mathematica costs will increase significantly in 2020; need to consider alternatives.
 - Adobe problems may be going away; still working with vendor.
 - Committee formed to provide governance and transparency to this process.
6. UM mobile device management via Exchange
 - Announced March 5; will resend March 19
7. Retiree and emeritus faculty mailboxes moving to Gmail
8. March 13 SA goes in front of production HR
9. Preparing for budget cut scenarios
