## FS0910ref-5

## Referral to Academic Freedom and Standards Committee (AFSC)

## **Common Exams**

It was brought to the attention of RP&A that common exams administered during the semester could create conflicts with regularly-scheduled evening classes. The potential conflicts may not be detected when students register for the evening classes so students may have to schedule alternative test times or the instructors of the evening classes may have to allow excused absences. RP&A passed a resolution to refer this matter to the Academic Freedom and Standards Committee for consideration and report.
