

Resolution 1314R1

Student Council Support for Renovation of Intramural and Recreations Fields

WHEREAS, the student body of the Missouri University of Science and Technology approved a referendum in 2008 that created a new student activity fee of \$30 per student per semester to support renovations of the student recreation center, and intramural fields, and

WHEREAS, the Missouri University of Science and Technology student body continues to increase and the demand for the student recreation center and intramural/recreation fields has also increased, and

WHEREAS, the student fitness center was completed and opened in 2010 and greatly enhanced the opportunities for students, and

WHEREAS, the geothermal project at the multi-purpose building and student recreation center creates a unique funding opportunity to renovate the intramural fields, and

WHEREAS, the opportunity to take advantage of this funding requires a decision prior to the construction project beginning, and

WHEREAS, fundraising for the recreational facilities renovation projects continues.

THEREFORE, BE IT RESOLVED that the Missouri S&T Student Council reaffirms and continues to support the 2008 referendum regarding recreational facilities, and

BE IT FURTHER RESOLVED that the Missouri S&T Student Council supports the renovation of the intramural fields through the installation of artificial turf as a result of the geothermal project at the multipurpose building, and

BE IT FURTHER RESOLVED that Student Council requests that funding be allocated to improve the frat row intramural fields, as those fields are in poor condition and highly used, and

BE IT FURTHER RESOLVED that the Missouri S&T Student Council approves the increase of the matching component from the student activity fee be increased to 75%, not to exceed \$1,825,000, in order for the project to proceed provided matching funds are not available from university sources, and that the current student activity fee for recreational facilities does not increase and remains \$30 per student per semester, and

BE IT FURTHER RESOLVED that the Missouri S&T Student Council, its officers and executive board, is charged with upholding this agreement with the university.

Respectfully Submitted,

Ashley Koesterer
Student Body President
